

Two Gain Salutes at Senior High

Myra Kemp and Danny Hoerner have been selected as Students of the Month for September at Dansville Senior High School.

Miss Kemp has participated in a variety of activities at the school. She has been a member of the girls' soccer team for four years and is a member of the Var-

sity D Club. In her junior year, Myra served on the Prom Committee and as a senior is on the Danua yearbook staff. She is a member of the Math Club and last spring was inducted into the National Honor Society.

Music has also been of particular interest to the student.

She plays the oboe in the concert band, bells in the marching band and tenor saxophone in the stage band. Miss Kemp has been selected for the All-County band and orchestra, and for the Area All-State Band. She has participated in solo competition and in the All-State Wind Ensemble, she was the principal oboist. She was selected for the All-Eastern Band.

Myra has been chosen to perform in November with the National Guild Youth Symphony. She also has been selected for the Scholarship Woodwind Quintet at the Hochschule Music School in Rochester, an honor reserved for accomplished musicians. At the high school, she has earned the

academic Script D for three years.

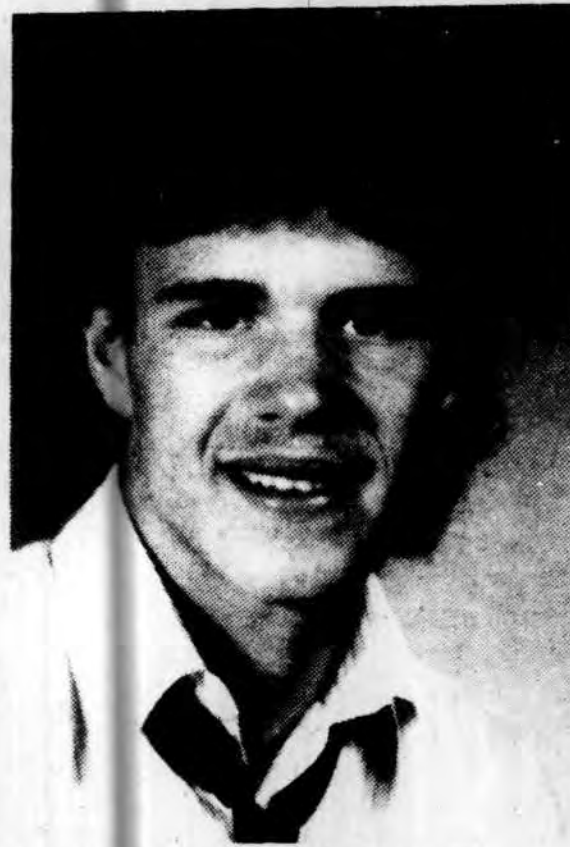

Hoerner is an active senior and has many responsibilities. He was president of his Junior Class and served on the Prom Committee.

Sports also have played a big role in his school career. He has been on the soccer team for three years and was co-captain last year. He was selected to play on the Bath Soccer All-Star team and was chosen for the Livingston County Conference All-Star team. In his junior year, he participated in track and was team co-captain. Danny also was a member of the varsity basketball team.

Hoerner is planning to enroll at Alfred State College and major in mechanical drafting.

DANNY HOERNER

Heart Recipient Has Idea to Help Others

Because he has been helped, a heart transplant recipient from nearby Naples wants to help others.

In fact, Charles J. Hilton wants to help so much he has launched a campaign to establish a "Helping Heart House" in Buffalo near the Veterans Hospital where families of surgical patients may stay.

Hilton, who spent 15 years in the Army including combat in Korea, is thankful to the Veterans Administration which arranged and paid for the heart transplant in the Buffalo VA hospital.

However, he points out, his family would have been in need of a place to stay if it had not been for friends in that city. Because he knows others face similar difficulties—but without friends there—he hopes a "Helping Heart House" can solve the problem. Patients at the hospital come from throughout New York and from distant states and their families have no place to stay without expending large amounts of money for room and food. "With our house, room and food will be free while a loved one is in the hospital," Hilton explains.

He is seeking contributions to

assist him in the effort and the tax deductible donation will go to a non-profit organization established to open and operate the special house. There are no paid administrators for this program, just volunteer helpers. Donations may be sent to Helping Heart House, P.O. Box 489, Naples 14512.

The Naples man is now able to walk through Naples and greet friends and neighbors. He also hikes through the woods with three grandchildren and is thinking about returning to golf for recreation. Good luck has followed the 55-year-old man since his transplant. He received the heart of a teenager who was killed in an accident.

"When I was in the hospital, I used to think of this (need for family housing) and now it's time for action. I know funding will take a while, but we'll work until the program is successful," Hilton said.

LINDA WILLIAMS

Bank Names New Cohocton Manager

The promotion of Linda S. Williams to manager of Norstar Bank's Cohocton Office has been announced by Erland E. Kailbourne, president and chief executive officer.

Mrs. Williams joined the bank in 1975 as a teller at the Cohocton Office, and was named branch secretary there in 1978. She moved to the Hornell Office as head teller in 1984, and a year later became customer service representative there.

Born in Dansville, Mrs. Williams lives in Cohocton. She is a graduate of Cohocton Central School.

JOHNNY APPLESEED

John Chapman, alias Johnny Appleseed, planted nurseries of apple seedlings in clearings before pioneers arrived. He planted to his dying day, March 18, 1845, near Fort Wayne, Ind., where his grave is now the center of a small park. Some of his trees still stand, though many believe the last one toppled in a storm near Mansfield, Ohio, in 1959, after bearing apples for more than 100 years.
